[Activity 2]: Participation and taking part in KBEST Conference 2024

[Activity 3]: The interview process for Recruiting a new batch. 18/November 2023

[Activity 4]: Help Professor in writing Word Doc 1Hrs

The paragraphs below show how you could explain about joining activities.

I enjoyed all of the activities I participated in, and I learned a lot from them. I am especially grateful to KBS(Kmitl Business School for providing an opportunity and I have actively participated in many Activities (Activity1) it gave me the chance to help our faculty also make my interactions and it also gave me more opportunities to help new students. Helping them and their professors makes the environment easier which makes recruitment more smooth. (Activity 2) I also participated in the K-BEST conference which was held in KBS I take participation over there and I was also present at conferences it gave me more exposure to how we can do such conferences in the future. (Activity 3) I also participated again in the interview process for the new batch in our faculty which was a great opportunity for me to interact with them and help them guide the way towards recruiting process. (Activity 4) I also helped the professor make a document it also gave me a good opportunity to learn more things and also made my Writing skills better.

I am committed to maintaining my academic excellence and to continuing to participate in extracurricular activities. I am grateful for the scholarship that I have received, and I am determined to make the most of this opportunity.

I am grateful for the opportunity to receive this scholarship. It has allowed me to pursue my education and participate in extracurricular activities that have enriched my life. I am committed to maintaining my academic excellence and to continuing to make the most of this opportunity.

Thank you for your support.
